Located just 20 kilometres from the centre of Ho Chi Minh City, Vietnam's Golf and Country Club is also the nearest golf club to the city. Set amongst 300 hectares of land, two great golf courses have been carved out of the existing woodland with minimal land movement, leaving you feel that the land was always destined to be a golf course, so natural is the lay-out and design.

Day 03: Saigon – Danang – Hoi An – Golf at the Greg Norman designed Danang Golf Club (B,-,D)

- After breakfast, transfer to the airport to take the morning flight to Danang. Our guide will greet you at Danang airport and transfer to the Greg Norman designed Da Nang Golf Club for a round of 18 holes golf

Welcome to Danang Golf Club and welcome to a place where golf's history is revered as much as the game itself. Here, along Vietnam's stunning Central Coast and amid a seaside landscape almost identical to what the world's first courses were carved from, an experience was crafted as much by Mother Nature as it was by the legend himself, Greg Norman. In other words, it's links-style golf in the truest sense of the term.

- In the afternoon, visit Hoi An Ancient Town which was home to one of Southeast Asia's major international harbors from 17th to the 19th century. Some parts of Hoi An still look exactly as they did a century and a half ago. The city preserves hundreds of houses built of

precious wood in its very own style. Our guided walk through this enchanting and peaceful town will take us back in history. We have a closer look at the Chinese, Japanese, Portuguese and French influences and visit some of its characteristic trade houses, bridges and temples.

- Dinner at local restaurant
- Overnight in Hoi An.

Day 04: Hoi An – Golf at the Colin Montgomerie designed Links Golf Club (B,-,D)

- In the morning, we will drive to Montgomerie Links Golf Club for a round of 18 holes.

Located just off famed China Beach and minutes from Da Nang's international airport, the Montgomerie Links Vietnam has been routed to capitalize on its close proximity to both the warm, tranquil South China Sea and striking Marble Mountains — which are clearly visible from various points on the course. Montgomerie Links Vietnam has the good fortune of having truly outstanding natural features. The sandy soil, wind-blown dunes, and indigenous vegetation combine to create the framework for a very strong links golf course. The course routing is an exciting mixture of heathland and links style holes which cater to players of all abilities.

- In the afternoon, visit My Son Sanctuary, an Imperial city during the Cham dynasty dating back from the 4th century to 12th century. It comprises many Champa temples, in a valley roughly two kilometers wide, surrounded by two mountain ranges. It was the site of religious ceremony of kings of the Champa dynasty, and was also a burial place of Champa royals and national heroes. The My Son temple complex is one of the foremost temple complexes of Hinduism in South East Asia and is the foremost heritage site of this nature in Vietnam. Though the complex has been destroyed over time, we still see many majestic ancient ruins of temples in the area.

- Dinner at local restaurant
- Overnight at your hotel in Hoi An.

Day 05: Hoi An – Danang - Saigon Departure (B/-/-)

- The morning is at leisure before checking out and transferring To Danang Airport to take the flight back to Ho Chi Minh City Tan Son Nhat Airport to connect with your flight home. We wish you a pleasant onward journey. Goodbye and hope to see you again soon!
